

STUDENT SERVICES MELBOURNE

College of Event Management offers students the following services and referrals to services during their course of study:

Educational difficulties

- Referral for help with literacy and numeracy
- Referral to disabilities support services if needed
- Help with difficulties with assessments, time management and organisation

Career planning

- Advice on career pathways in the events industry
- Industry Engagement Program (IEP) assistance with volunteer placements, internships and industry event experience
- Resumé development and interview preparation

Personal issues

For personal issues that may be affecting your study such as anxiety, addiction, stress, depression, relationships, grief and bereavement, we recommend that in the first instance you contact your general practitioner (GP).

Links and contacts for community agencies that can provide you with information, counselling and support are listed below:
